Class Details

Class	Description	First Fee	Second Fee
Club - Practice - Senior	Small Bike Burners! Open to any clutchless bikes PLUS other small bikes WITH clutches under 150cc. Polish the Pistie bike, get the Gram's out or grab a gumtree delivery scooter because the small bore battle just got interesting!	\$0.00	\$0.00
Club - Practice - Senior	Risky Road Bikes! Any bike that can be road registered, your daily ride, a weekend tarmac warrior or hoodigan machine. From big adventure bikes to low slung harlots, you never know where the skills you pick up here will help you. Plus it's probably the most inappropriate, so possibly the most fun and impressive category!	\$0.00	\$0.00
Club - Practice - Senior	Old Mates (Pre '80)! Roll out the vintage and classic steeds: this pre 1990 only class is open to anything old and awesome. An eclectic mix of desert sleds and gan heads can opt to take part in this jolly jive category. So tear the tarp off the old farm squire or marketplace, a mature moto into your garage for this one!	\$0.00	\$0.00
Club - Practice - Senior	Enduro & MX! A class for those who already have a dirt squire and like to get their 'plumbs in the crumbs'. We'll expect some interesting outfits in this group, just for some extra 'spice' on the mainstream machines. Non-registered bikes are accepted, with no limit on engine size. Open to any Enduro or Motorcross bikes, old and new.	\$0.00	\$0.00
